

Ryan White HIV/AIDS Program (RWHAP) Part A, B, C, and D recipients must submit two program-specific reports to HRSA; 1) RWHAP Allocation Report, and 2) RWHAP Expenditure Report. These documents serve as a reference to determine how recipients allocate and subsequently expend funds each budget period. It is important to note that the Ryan White HIV/AIDS Program annual allocation and expenditure reports do not serve as source documents for determining the total amount of funds awarded and unspent by recipients.

#### RWHAP Allocations Reports

Ryan White HIV/AIDS Program (RWHAP) Part A, B, C, and D recipients must submit a RWHAP Allocation Report to HRSA describing how funds are allocated for a particular budget period. RWHAP Allocation Reports do not include prior year carryover funds approved for specific activities by HRSA due to the timing of submission.
